## **A Guide to EC Environmental Law** Dorothy Gillies

EC law is now a pervasive part of the legislation affecting business, government agencies, the voluntary sector and the individual citizen across the whole of the European Union. This uniquely comprehensive and accessible guide provides a simple and practical explanation of the most important aspects of EC environmental law.

In straightforward terms it introduces the EC and its institutions and explains where EC environmental law and policy can be found. It discusses the main environmental laws relating to air and noise, chemicals and industrial risks, nature conservation, waste and water, and explains how these laws can be used to ensure environmental protection. The book also explains the EC's law-making procedures and discusses the stages at which lobbying can be used to influence the content of future EC environmental laws. Useful case studies and suggestions for further reading for those wishing to research a particular area are also included.

This book will be an invaluable source of reference and practical guidance for lawyers, business, local government, environmental groups and all those needing to understand and use EC law in this area.

Dorothy Gillies is a lawyer and lecturer in law at the University of Glasgow. She has worked in the European Parliament and in the European Commission's Directorate-General XI for Environment, Nuclear Safety and Civil Protection.

Originally published in 1998
