**Integración ciudadana: UNA PERSPECTIVA PARA LA INMIGRACION (Spanish Edition)** Miguel Pajares

Ahora que se está asumiendo ya que la inmigración es necesaria e inevitable, el debate sobre la integración de los inmigrantes ha pasado a ocupar un lugar cada vez más destacado, tanto en el plano político como en el social. Este libro penetra en ese debate abordando aspectos como: qué ha de entenderse por integración, qué políticas se hacen al respecto, cómo influye en la integración la política de extranjería, como influye el tratamiento que damos a los aspectos culturales. En el libro se contraponen la integración a la exclusión, se explican los múltiples mecanismos de exclusión social que esta sociedad ha generado en torno a la inmigración, y se llega a unas conclusiones concretas que se derivan de la reflexión sobre la distinta fuerza que han tenido hasta ahora los mecanismos de integración frente a los de exclusión.

Recorriendo todo el texto se halla el concepto de integración que maneja su autor, y que aparece ya en el propio título: integración ciudadana. Una integración que sólo puede construirse en la perspectiva de la plena ciudadanía.
