The Torah: A Modern Commentary: Revised Edition

This volume features updated commentary and translations, including a gender-sensitive version of the JPS translation, with largely gender-neutral God language and a completely fresh translation of Genesis and of the haftarot by the late Rabbi Chaim Stern. In addition, the volume is reorganized by parashah and includes a helpful index and aliyot markers, improving upon the 1981 original. As Rabbi David Ellenson, former President of the Hebrew Union College-Jewish Institute of Religion, states, "This book provide a dazzling compendium of sources both classical and modern, and a variety of voices that will enhance worship and study of everyone."
