Women's Issues for a New Generation: A Social Work Perspective Gail Ukockis

How do you "hook" a Millennial student into caring about women's issues when feminism has been declared dead for decades? Written in an engaging style that promotes critical thinking, *Women's Issues for a New Generation* is intended for freshman- and sophomore-level undergraduates who have never heard of Mary Wollstonecraft or Anita Hill. The interdisciplinary text includes three major sections: women in the U.S., women from diverse groups (e.g., Native American and disabled), and women in the global arena. It also stresses the inclusion of men in topics such as body image, since "women's issues" are really issues that affect everyone. Other striking features included the contemporary debates (e.g., War on Women and Hillary Clinton's ambitions) and the current issues such as human trafficking.

Textbooks on gender and women's studies often emphasize theory with the assumption that students already know about women's history, the pay gap, and other basic information; *Women's Issues for a New Generation* serves as a reader-friendly bridge to more advanced analysis of women and gender. Written by a social worker, this textbook applies social work values and the strength perspective to anyone who is fighting gender inequality.

You can actually bring everywhere like in playground, café, or even in your means home by train. In case you are having difficulties in bringing the printed book maybe the form of Women's Issues for a New Generation: A Social Work Perspective in e-book can be your option.

Douglas Moskowitz:

Reading a publication tends to be new life style within this era globalization. With studying you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only the storyplot that share in the publications. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Women's Issues for a New Generation: A Social Work Perspective.

Ronda Powers:

This Women's Issues for a New Generation: A Social Work Perspective is completely new way for you who has attention to look for some information since it relief your hunger of knowledge. Getting deeper you on it getting knowledge more you know or you who still having tiny amount of digest in reading this Women's Issues for a New Generation: A Social Work Perspective can be the light food for you because the information inside that book is easy to get by anyone. These books produce itself in the form that is certainly

reachable by anyone, that's why I mean in the e-book application form. People who think that in publication form make them feel sleepy even dizzy this publication is the answer. So there is absolutely no in reading a book especially this one. You can find actually looking for. It should be here for you. So , don't miss the item! Just read this e-book sort for your better life as well as knowledge.
