## **How to Think Theologically** Howard W. Stone, James O. Duke

For over fifteen years, *How to Think Theologically* has served as the ideal primer on the work of theology for students at all levels of study. Stone and Duke contend that theology is not an optional, esoteric discipline, but one that every Christian person is called to do, and thus they welcome everyone to the essential, vibrant work of making religious sense of concrete life situations.

The third edition of this popular book retains all of the lucid and lively text that marked the previous editions. On this already strong foundation, case studies and bibliographies are updated, and several helpful pedagogical elements are added.
