The Armed Forces: 213 (Issues) Lisa Firth

British service personnel are currently stationed in locations all over the world. The Armed Forces looks at issues affecting members of our armed forces: the army, naval service and Royal Air Force. It covers topics such as service-related mental ill health; the aftermath of physical injury; the future of the armed services in the wake of government cuts and redundancies; the role of women and young people in armed combat, and at problems which confront veterans on leaving the armed services. The information comes from a wide range of sources and includes government reports and statistics, newspaper articles, features, magazine articles and surveys, literature from lobby groups and charitable organisations.
