A Wonderful Deception: The Further New Age Implications of the Emerging Purpose Driven Movement Warren B. Smith

Five years after writing *Deceived on Purpose: the New Age Implications of the Purpose Driven Church*, former New Age follower Warren B. Smith continues to reveal how Christian leaders--wittingly or unwittingly--are leading the church into a spiritual trap. A "Wonderful" Deception examines church metaphors, concepts, and beliefs that are essentially the same as those being used in today's New Age teachings. And while biblical prophecy is being minimized and explained away, the "new science" is being used to prepare the world--and the church--to accept a new Spirituality and a false New Age Christ. This book explains how all the puzzle pieces are in place for the "strong delusion" described in 2 Thessalonians. A "Wonderful" Deception pierces right into the heart of this deception while preparing believers in Jesus Christ to effectively stand against it.
