Raymond Augustus:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's internal or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful images on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Jupiter (21st Century Junior Library: Solar System) can make you feel more interested to read.
