The Complete Irish TinWhistle Tutor (New & Revised) L. E. McCullough

This book is a comprehensive, detailed approach to playing Irish music on the tinwhistle. It has been written especially for new enthusiasts who live impossibly far from Irish musicians and are fretfully asking themselves, "Where Can I Ever Learn To Play?" It contains information on technique and style that more advanced players will also find useful. And, there are 72 dance tunes and airs suitably arranged for the tinwhistle, including some recently-composed pieces and several unusual settings of old standards that even the most jaded musical palates aflame with the insatiable desire for New Tunes will find exhilarating and momentarily satisfying.
