Asking for Trouble (London Confidential Book 1) Sandra Byrd

When her family moves to London, 15-year-old Savvy Smith has to make her way in a new school and a new country. She just knows the school newspaper is the right place for her, but she doesn't have the required experience, and the cute editor-in-chief is not looking to train anyone. She has to come up with a way to prove herself and nab the one available position on the newspaper staff at Wexburg Academy. London Confidential is a new series where British fashion, friendships, and guys collide, and where an all-American girl learns to love life and live out her faith.
