## **Consapevolezza (Italian Edition)** Hannah Lúcia da Silva Franca

Hannah Lúcia Da Silva Franca nel suo romanzo, "Consapevolezza", ci racconta della coscienza come un "orientamento interiore", una voce onnisciente che indica le strade da percorrere. Noi siamo personalmente responsabili di tutto ciò che accade nella nostra esistenza quando ne abbiamo la cognizione. Il romanzo è simbolicamente diviso in cinque stagioni della vita che ci portano a lottare per sopravvivere e vivere. L'amore deve avere la forza di trovare la certezza in se stesso. "La vita è una serie di circostanze che ci possono capitare o no. La vita è la vita!".
