Gathered at Albany: A History of a Classis (Historical Series of the Reformed Church in America)

Allan J. Janssen

A superbly researched volume that tells the story of the Classis of Albany, New York, from its beginning in 1771 up to 1979. Janssens account of this historically significant local judicatory in the RCA shows that a classis can take bold and daring initiatives to effect change in both church and society. His work offers a creative and promising new model for local Reformed church historiography.
