LA MEDICINA INDIA (Spanish Edition) Juan Arnau

El ayurveda lleva practicándose en India desde hace más de dos milenios. La medicina india es a la vez un arte de la curación y un modo de vida. Una ciencia que atiende por igual al cuerpo, la mente y el espíritu y donde la armonía con el entorno y equilibrio de los afectos resultan indispensables para la vida plena y saludable. Como sistema holístico, el ayurveda incide en los factores que causan las dolencias y no sólo en sus síntomas, adaptando sus tratamientos a la constitución de cada persona y requiriendo el compromiso y la participación activa del paciente.
