Charles wants to find a wish tree. His brother and sister don't believe there is such a thing, but his trusty companion Boggan is ready to join Charles on a journey to find out. And along the way, they discover that wishes can come true in the most unexpected ways.

The poetic text and heartwarming illustrations evoke the true essence of the holiday season and will inspire wishers everywhere. This gem of a book deserves center stage year round. Plus, this is the fixed format version, which looks almost identical to the print edition.
