## **Camino del infierno (B de Books) (Spanish Edition)** Daniel Estulin

Parece que sobre la crisis ya está todo dicho. Sí, todo menos LA VERDAD. Detrás del cataclismo financiero se oculta una oscura trama de intereses que busca la destrucción del progreso tecnológico y educativo de los estados-nación y, en última instancia, el control demográfico de la población mundial. Todo ello para que el poder y la riqueza se perpetúen en las mismas manos: las de la elite que gobierna el mundo sin que nadie sea consciente de ello. Una vez más Daniel Estulin pone bajo los focos una verdad incómoda para muchos pero reveladora para todos. Si no queremos que la oligarquía acabe definitivamente con nosotros, nos empobrezca, nos analfabetice, nos prostituya y, literalmente, nos mate de hambre, es el momento de abrir los ojos, entender que lo que está ocurriendo es un plan perfectamente orquestado y que todavía podemos hacer algo para devolver el golpe.
