Essentials of Microeconomics Bonnie Nguyen, Andrew Wait

Essentials of Microeconomics is an excellent introduction to microeconomics. It presents the basic tools of microeconomics clearly and concisely. The book presents a vigorous treatment of all relevant introductory microeconomic concepts. The book also emphasizes on modern economics — game theory and imperfect markets. Each chapter is self-contained and includes the required key mathematical skills at the start.

This book is ideal not only for introductory microeconomics course, but its level of analysis also makes the book appropriate for introductory level economics taught at postgraduate level. With the emphasis on strategy, this text is also well suited for use in business economics course.
