Grandeza Boliviana (Spanish Edition) Bruno Morales

Con una prosa despojada y precisa, *Grandeza Boliviana* extrema la apuesta de *Bolivia Construcciones* tanto en lo literario como en lo político.

Los personajes son migrantes bolivianos que viven en la Argentina. El narrador sin nombre dirige la mirada, en apariencia inopinada y casual pero inquietante y significativa, hacia el interior de su colectividad, la vida en la ciudad, los argentinos y otros migrantes. Las charlas y las cervezas con Quispe, los trabajos de albañilería con Pedro, marcan los ritmos de una rutina que interrumpe Alasitas con sus “puestos ambulantes, comidas quemantes, sabrosas, y grasosas”. En cada escena se filtran la discreta emoción del narrador y la complejidad de una realidad compuesta por costumbres heredadas e indiferencia: orgullos y prejuicios, sentidos y sensibilidades que luchan por un lugar para construir, o revocar, una identidad mutante.

Una escritura que lo cuenta todo por omisión, y crea un espacio que revela desde dónde lee, mira y juzga, para que –virtud poco frecuente– el lector haga lo propio. Una sumersión inusitada en el mundo boliviano que se convierte en uno de los textos más renovadores de la literatura argentina.
