The Wisdom of Heschel

Abraham Joshua Heschel

The Wisdom of Heschel Abraham Joshua Heschel

"Philosophy may be defined as the art of asking the right questions...Awareness of the problem outlives all solutions. The answers are questions in disguise, every new answer giving rise to new questions." This example of Rabbi Heschel's thought and manner of expression, familiar to the readers of his many books, serves as an epigraph to *The Wisdom of Heschel*.

As Ruth Goodhill says in her foreword, "These selections from the works of the prophetic giant of the twentieth century, Abraham Joshua Heschel, represent my personal response to his writings. This book, conceived during his lifetime, is offered as an introduction to his thought and to his profound understanding of the agonies of modern society."

Most of the selections are taken from *God in Search of Man*, *The Insecurity of Freedom*, *Man Is Not Alone*, *The Sabbath*, *The Prophets*, and *Who Is Man?* Among the categories in which the excerpts have been grouped are "Questions Man Asks," "Man's Needs," "Caring for Our Old," "Teaching Our Young," "Law," "The Sabbath," and "One World."
