Theory of Psychoanalytical Practice: A Relational Process Approach (The International Psychoanalytical Association Psychoanalytic Ideas and Applications Series) Juan Tubert-Oklander

This book makes an original contribution to the study of the psychoanalytic process from a relational point of view, and at the same time serves as a textbook on the theory of technique. It provides a general exposition of the theory of psychoanalytic practice from a process perspective that emphasizes the analytic relationship, the dyadic nature of the psychoanalytic situation, and the impact of unconscious interaction between its two parties, and also includes the authors personal point of view and contributions on the subject.
