All Things Wise and Wonderful James Herriot

Veterinarian James Herriot recalls life in England during World War II, when the great forces of the modern world came even to his sleepy Yorkshire hamlet

Only a couple of years after settling into his new home in northern England, James Herriot is called to war. In this series of poignant and humorous episodes, the great veterinarian shares his experiences training with the Royal Air Force, pining for a pregnant wife, and checking in on the people back home who made his practice so fascinating. As the young men of Yorkshire are sent into battle and farmers consider the broader world they're a part of, Herriot reflects on the lives—human and animal alike—that make his home worth fighting for.
