## **Confessions of a Christian Humanist** John W. De Gruchy

How can one genuinely follow Jesus today, and what does that mean about one's lifestyle, social and political commitments, and ethical stance? In this fine work, internationally renowned theologian John de Gruchy answers that question. Reviving an almost silenced tradition, he lifts the banner of Christian humanism - not secular humanism with a Christian veneer, but a critical retrieval of Christianity's core convictions and values in ways that are both critical of and yet constructively engaged with secular culture in serving the well-being of humanity.
