Mona Lisa Craving (Monere: Children of the Moon, Book 3) Sunny

Dante, the warrior son of a healer, was cursed by the high priestess to endure a never-ending cycle of life and death, born and reborn into an ever-diminishing bloodline. Someone shares one of his past lives. Her name was Mona Lyria. Back then, on the moon in another world, she was his victim. Today, she is Mona Lisa, and this time, she is his savior. Dante's wish is to die by her hands to end his cursed existence, but she feels fate has given them both a second chance. For even stronger than her craving for blood is her craving for what every Monere female desires, and needs...to bear life. Now she has found her mate-but with this blessing could come a new curse under the shadow of a new moon.
