Who would win the Olympic gold medals if all the competitors were animals? Each book in the series covers a different type of Olympic sport, while each chapter looks at a different event. Primarily intended as high-interest reads, the books contain information relating to biology, and allow readers countless opportunities to compare and contrast. In addition, medal tables at the back of the books tally medals won by the different animal classifications, including mammals, reptiles and birds. This book looks at Swimming and Diving, pitting elephant seal against kingfisher in diving and dolphin against pilotfish in synchronized swimming.
