Liberty: God's Gift to Humanity Chana B. Cox

Liberty: God's Gift to Humanity is a defense of liberalism, the political philosophy which holds that governments should be established for the protection of individual liberty. By means of revisiting the thinking of the men who created liberal theory over the past three centuries, author Chana Cox has demonstrated that historically the bond between liberalism and religion has been strong, and that liberals have embraced virtue, encouraged social control, and increased the common good.
