My War in the Air 1916: Memoirs of a Great War Pilot

Captain Alan Bott MC

My War in the Air 1916: Memoirs of a Great War Pilot Captain Alan Bott MC

Originally published under the title *An Airman's Outing*, this magnificent title chronicles the daily life of the Flying Officer during the Great War. Touchingly dedicated to 'The Fallen of Umpty Squadron R.F.C.', Bott chronicles the lives and losses of his squadron as they carried out their duties over France in 1916. A modest and unflinching account of Great War aviation, Bott neither aggrandises nor dismisses any achievement of his crack squadron. A squadron that suffered so heavily, holding the record for casualties sustained by any flying squadron during three months, from the beginning of the war to the end of 1916 - a testament to the bravery and determination of the men who continued to serve within it. Tinged by this sadness, *My War in the Air 1916* still conveys the aspirations of the British Royal Flying Corps in their early days, and the hope its many flying aces placed in the establishment, as a powerful tool to defend and protect. As W. S. Brancker states inside, 'War has been the making of aviation; let us hope that aviation will be the destruction of war.'
