## **Rogmasher Rampage (Billy Klikk)** Mark Crilley

After months of intensive training, Billy is finally ready to go on his first solo creatch op for AFMEC (Allied Forces for the Management of Extraterritorial Creatches). Godzilla-like monsters are menacing the Chinese mountain village of Hua Qing. Billy is more than fired up to fend them off—until he discovers that bossy Ana García will be tagging along. Though Ana is no older than Billy, she’s a full-fledged AFMEC agent—and doesn’t hesitate to remind him of that fact. Whenever possible.

At first, the mission is pretty straightforward. Billy and Ana help Hua Qing fight off the monsters, and life for the villagers goes back to normal. But Billy can’t shake the feeling that things in Hua Qing are not what they seem. Is Billy being paranoid? Or is something really bad about to go down? If Billy is right, then he, Ana, and the villagers of Hua Qing are in a whole lot of trouble.

In this era globalization it is important to someone to get information. The information will make anyone to understand the condition of the world. The condition of the world makes the information much easier to share. You can find a lot of recommendations to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The actual book that recommended to you is Rogmasher Rampage (Billy Klikk) this book consist a lot of the information in the condition of this world now. This particular book was represented just how can the world has grown up. The language styles that writer use for explain it is easy to understand. The writer made some analysis when he makes this book. Honestly, that is why this book suitable all of you.

#### **Haydee Todd:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Rogmasher Rampage (Billy Klikk) can make you experience more interested to read.
