Suze Wilding and Lloyd Rockwell are complete strangers. She lives in London; he lives in New York. But when their advertising firm sponsors a job swap, having them trade apartments and jobs for the summer, they find themselves living each other's lives.

From the beginning, these two seem polar opposites—Suze is impetuous, brash, and commitment phobic, whereas Lloyd, cautious and thoughtful, is looking to settle down with his suitable girlfriend. But when Suze discovers a plot at work to get Lloyd fired, the two begin communicating long-distance, and can't help wondering if they might just be perfect for one another.
