Voices of Shakespeare's England: Contemporary Accounts of Elizabethan Daily Life (Voices of an Era)

Voices of Shakespeare's England: Contemporary Accounts of Elizabethan Daily Life (Voices of an Era)

Voices of Shakespeare's England: Contemporary Accounts of Elizabethan Daily Life helps readers explore the era that produced, among other things, the world's greatest playwright. It brings together excerpts from over 50 primary documents written in William Shakespeare's lifetime, including letters, literature, speeches and polemics, official reports, and descriptive narratives.

Voices of Shakespeare's England includes the works of Shakespeare himself, as well as other poets and playwrights, but it also expands beyond the literary world to cover politics, religion, economics, social change, and the royal court. By allowing Shakespeare's contemporaries to speak in their own voices, it offers an illuminating look at the breadth of Elizabethan society, including major historic events in England as well as Scotland, Ireland, the European continent, and even the new world of America.
