## **Beloved Community: Critical Dogmatics after Christendom** Paul R. Hinlicky

In this scholarly work Paul Hinlicky transcends the impasse between dogmatic and systematic theology as he presents an original, comprehensive system of theology especially apropos to the post-Christendom North American context.

Deploying an unusual Spirit-Son-Father trinitarian scheme, Hinlicky carefully develops his system of theology through expansive, wide-ranging argumentation. He engages with other theologians throughout the book and concludes each major section by discussing an alternate perspective on the subject.
