Demian

Hermann Hesse

Demian Hermann Hesse

Hermann Hesse is best-known for *Steppenwolf* and *Siddhartha*, but his novella *DEMIAN* has been re-discovered and become very popular in its own right, exploring an individual's search for authenticity, self-knowledge and spirituality. It's Hesse's brilliant coming-of-age novel about the spiritual and psychological growth of a young boy who detaches from and revolts against this hell of superficial ideals of the world of appearances and eventually awakens into a realization of self.
