The Social and Emotional Aspects of Learning (SEAL) programme is a UK government initiative designed to help children and young people develop social and emotional intelligence. SEAL aims to help children nurture skills such as understanding another's point of view, working in a group, sticking at things when they get difficult, resolving conflict and managing worries. SEAL Assemblies for Primary Schools is a collection of 42 SEAL-themed assemblies. A new addition to the highly successful SPCK Assemblies Book series, it will be a valuable resource for primary school teachers and clergy who wish to implement the SEAL curriculum.
