Karl Barth, William H. Willimon

Westminster John Knox Press is proud to present this special collection of fourteen of Karl Barth's World War I-era sermons--the only English language collection of Barth's sermons preached between 1917 and 1920 when he was a parish pastor in Safenwil, Switzerland. This volume offers a fascinating glimpse into Barth's interpretation of Scripture during a time of great historical significance.

Renowned preacher William H. Willimon provides expert commentary on the theological and homiletical substance of each selection and points to the many ways in which Barth's early preaching can enrich the work of preachers today.
