Beulah Hill

William Heffernan

Beulah Hill William Heffernan

A novel of rare literary distinction, an erotic thriller combined with a true mystery, and a look back at a little-known part of the American societal patchwork -- *Beulah Hill*, by bestselling author William Heffernan, is a brilliant and deeply original work of fiction.

Set in the 1930s, the story follows the investigation of a racially motivated murder in a rural Vermont town and the shocking ramifications it has on that backwoods community, which had once served as a stopping place for runaway slaves. Having made new lives for themselves there, many of these former slaves had married interracially. As a result, over several generations, the progeny of what were originally black families became what was known as "bleached" and were absorbed by the white community. Still, they were not accepted by all, and not all the blacks joined in interracial unions.

The result was an atmosphere of tension and distrust that -- as so vividly rendered in this novel -- occasionally exploded in acts of violence...and even murder.

Played out against this vivid backdrop, at a time when the Great Depression had created an atmosphere of fear and Adolf Hitler was just beginning his reign in Germany, *Beulah Hill* tells the story of a white man who was murdered in an almost ritualistic manner on land owned by the only remaining black family in that small town. Heading the investigation is a young constable who is himself a deeply conflicted member of the "bleached" underclass and who is intimately involved with the proud and headstrong black woman at the center of the killing.

Depicting larger-than-life characters, including a black patriarch who rules his farm on Beulah Hill with an iron fist, Heffernan paints a startlingly authentic portrait of a town caught in the grip of seething prejudice, forbidden eroticism, and hard times.

Kinds of this publication are various. Not only by simply written or printed but can you enjoy this book by simply e-book. In the modern era including now, you just looking by your local mobile phone and searching what your problem. Right now, choose your ways to get more information about your guide. It is most important to arrange you to ultimately make your knowledge are still revise. Let's try to choose proper ways for you.

Elizabeth Daugherty:

As a student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that reading through is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Beulah Hill can make you experience more interested to read.
