Cushing, Spellman, O'Connor: The Surprising Story of How Three American Cardinals Transformed Catholic-Jewish Relations Rabbi James Rudin

Highlights the legacy of three amazing, influential Roman Catholic cardinals

In this highly recommended book, Rabbi James Rudin describes how the vision and commitment of Cardinals Richard Cushing, Francis Spellman, and John O'Connor helped to transform Jewish-Catholic relations in the second half of the twentieth century. Two introductory chapters contextualize their actions and reveal the extraordinary nature of these cardinals' actions.

Pithy and accessible, this book will spark lively discussion among church and synagogue study groups. It will also add compelling case studies to seminary courses on ecumenism and interfaith dialogue -- regardless of any given group's position on the ideological spectrum.
