## History as Prelude: Muslims and Jews in the Medieval Mediterranean

This collection of essays by seven highly respected scholars is a straightforward narrative of real world—intellectual, commercial, spiritual, philosophical, scientific, esthetic—creative engagement among Jews, Muslims, and some Christians in daily life in Spain and around the Mediterranean. *History as Prelude* is a major contribution to the Israeli-Arab peace process because it undermines—in fact, blows away—the efforts of propagandists who serve governments or political movements to negate the reality of the Arab-Jewish relationship in the medieval Mediterranean. The contributors, in unassuming, well-researched scholarship have erected a wall protecting historical reality from distortion, providing irrefutable—and often delightful—examples of creative coexistence.
