Q, Jazz, Chase, Ginger, Los, Kawena, and Lucky, are the adventure seeking Real Street Kidz. An extraordinary group of kids who live life in a **big** way and prove that you're never too young to make a difference. During the summer the *Real Street Kidz* **Chased Action** and mastered the **Art of Authenticity**, but with the arrival of a new school semester the RSK are in serious need of **Good Ideas**. The kids are immediately faced with frustrating challenges from a rigid new school's "Pilot Program," that includes excessive pop-quizzes, strict dress codes, and a disgusting "healthy choice" menu. Things really get worse when their old rival *Junior* puts the entire school in jeopardy with his "Me First" re-election campaign for school president. Q and Jazz decide to run against him to stop Junior's reckless campaign from ruining the student body, but that's when things become even worse! The entire school becomes divided and everyone is *desperate* for an infusion of **Good Ideas** to help put things back together again. Whose side will the friends choose? Which side would **you** choose? Making the wrong choice could cost everyone a lot more than just a school election; it could cost everyone a better world!
