The Love Spell: An Erotic Memoir of Spiritual Awakening Phyllis Currott

The sequel to the acclaimed memoir *Book of Shadows*

This is the true story of a love spell that worked. Ivy League lawyer and Wiccan priestess Phyllis Currott has a super-charged career in law and filmmaking, but one thing is missing: love. She casts a sexy spell and her dream lover soon arrives. But he's not who he appears to be and there are unforeseen consequences. In this hip, compelling tale of spiritual and sexual awakening, she must seek the aid of an otherworldly suitor, a daemon, to discover how modern relationships and their problems are paths to the greatest magic of all—true love.

This wise and erotic memoir is also rich with spells, potions, techniques of sexual magic, and rituals for love. It is a story that will speak to every woman who has dreamed of her Prince Charming, revealing how our longing for love can lead to the discovery of our innate divinity and an authentic and empowered life.
