*"Prayer is the application of the heart to God, and the internal exercise of love."* - Madame Guyon

*A Short and Easy Method of Prayer* teaches the importance of:

- Respectful silence.
- Seeking Him with fidelity and love.
- Patience in prayer.
- Collecting yourself inwardly.
- Total abandonment of self to God.

This basic but powerful understanding about prayer has such incredible results, that it tends to shake up the normal thoughts about prayer.

Shortly after *A Short and Easy Method of Prayer* was written, Madame Guyon was imprisoned - for 7 years - because her prayer styles unsettled the established church of the time.

The author wrote *"...to induce the world to love God and to serve Him with comfort and success, in a simple and easy manner..."* Little did she know that after her death in 1717 her *"little treatise"* would be published and read worldwide.

Learn what Madam Guyon knew and published nearly three hundred years ago and see your prayer life transformed!
