This is a story of age vs. youth in a chase to see who will end up not only the winner, but very, very rich.
?

Deloris MacDonald is having a bad day. Nothing is going right since she woke up. Usually she wins nothing on her weekly lottery buy. Today, however, the ticket is scanned and she wins the jackpot of \$50,000,000. You'd think her bad day would be over, right?

Zander Dief is a convenience store clerk at a gas station. He's basically going no where with his life, until an old woman walks through the door with a lottery ticket that wins fifty million dollars. When opportunity knocks, you don't just open the door, you steal the ticket and run like hell.
