Modern Administrative Law in Australia: Concepts and Context

Modern Administrative Law in Australia provides an authoritative overview of administrative law in Australia. It clarifies and enlivens this crucial but complex area of law, with erudite analysis and modern perspectives. The contributors - including highly respected academics from eleven Australian law schools, as well as eminent practitioners including Chief Justice Robert French AC and Justice Stephen Gageler of the High Court of Australia - are at the forefront of current research, debate and decision making, and infuse the book with unique insight. The book examines the structure and themes of administrative law, the theory and practice of judicial review, and the workings of administrative law beyond the courts. Administrative law affects innumerable aspects of political, commercial and private life, and yet is often considered difficult to understand. Modern Administrative Law unravels the intricacies and reveals how they are applied in real cases. It is an essential reference for students and practitioners of administrative law.
