Red Fever Caroline Clough

A terrible virus has wiped out much of the human population and Scotland is now a wasteland, overrun by wild dogs. Toby's little sister Sylvie is dangerously ill and his family set out in a boat along the Aberdeenshire coast in desperate search of medicine. On their journey they battle for food and fuel, try to outwit lawless pirates and struggle to stay one step ahead of the ever-more powerful dogs and their mighty leader Cerberus. But will they find a cure for Sylvie before it's too late? A terrible virus has wiped out much of the human population and Scotland is now a wasteland, overrun by wild dogs. Toby's little sister Sylvie is dangerously ill and his family set out in a boat along the Aberdeenshire coast in desperate search of medicine. On their journey they battle for food and fuel, try to outwit lawless pirates and struggle to stay one step ahead of the ever-more powerful dogs and their mighty leader Cerberus. But will they find a cure for Sylvie before it's too late?

From reader reviews:

Joseph Wilson:

What do you about book? It is not important with you? Or just adding material if you want something to explain what you problem? How about your spare time? Or are you busy man or woman? If you don't have spare time to perform others business, it is make one feel bored faster. And you have extra time? What did you do? Every person has many questions above. They must answer that question because just their can do this. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this Red Fever to read.

Martin Elkins:

Now a day those who Living in the era just where everything reachable by connect to the internet and the resources within it can be true or not need people to be aware of each information they get. How a lot more to be smart in getting any information nowadays? Of course the reply is reading a book. Reading through a book can help folks out of this uncertainty Information particularly this Red Fever book as this book offers you rich data and knowledge. Of course the knowledge in this book hundred per-cent guarantees there is no doubt in it as you know.

Jason Wahl:

This Red Fever is fresh way for you who has attention to look for some information given it relief your hunger details. Getting deeper you in it getting knowledge more you know or perhaps you who still having bit of digest in reading this Red Fever can be the light food for you because the information inside this book is easy to get through anyone. These books develop itself in the form that is reachable by anyone, sure I mean in the e-book contact form. People who think that in reserve form make them feel tired even dizzy this reserve is the answer. So there isn't any in reading a book especially this one. You can find what you are looking for. It should be here for a person. So , don't miss that! Just read this e-book sort for your better life as well as knowledge.

Ricardo Huddle:

A lot of book has printed but it is unique. You can get it by net on social media. You can choose the most beneficial book for you, science, witty, novel, or whatever by means of searching from it. It is identified as of book Red Fever. You can include your knowledge by it. Without leaving behind the printed book, it can add your knowledge and make you actually happier to read. It is most crucial that, you must aware about reserve. It can bring you from one location to other place.
