What Is a Sacred Cow?

"A sacred cow is any program, custom, tradition, or religious function that has evolved from its original purpose of serving, to demanding to be served...creating an animal so deformed that it can't be dealt with, but must be destroyed."

So writes author Mark Briggs as he light-heartedly addresses serious "cow" issues in our lives. *Behind the Mask of Religious Traditions* exposes the ugliness of dead rituals and reveals the beauty of true, living worship.

Removing the masks will:

- Expose the sacred cows in your life.
- Create a passion for true worship.
- Identify the Father as the Shepherd.
- Guide you through the Sacred Cow Prevention Process.

As you destroy the religious cows in your life, you will find yourself grazing with the Shepherd in lush green pastures beside a refreshing flowing stream of living water.
