The game finder offers an at-a-glance listing of all games organized by activity level, when to play, number of players, special space and equipment needed, social purposes, and skills needed and developed.

An expanded discussion of how to use the activities in the book will help you identify the games appropriate for your group and your unique needs. For teachers, a new section details how New Games can fulfill educational and physical activity standards in the United States, Australia, Canada, and the United Kingdom. Plus, ideas and suggestions for incorporating New Games into lesson plans offers a great starting point for more active learning in the classroom.
