**Breve historia de las religiones (B de Books) (Spanish Edition)** Fernando Orbaneja

Breve historia de las religiones es una suerte de manual de uso popular sobre las distintas creencias, las religiones más importantes y las no creencias. A partir de la idea de que la búsqueda de la verdad es una inquietud universal, de todos los tiempos y de todas las culturas, y evitando centrarse en las religiones vigentes en la actualidad para analizar también las que fueron importantes e influyeron en las actuales pero han desaparecido. Además de ahondar en las dudas y diferencias, Orbaneja analiza los orígenes y hace un repaso por la evolución de las distintas religiones en las grandes civilizaciones a lo largo de la historia de la humanidad, Mesopotamia, pasando por las no creencias, el gnosticismo y el ateísmo, para concluir con un apartado útil a modo de resumen: una recopilación de los aforismos más significativos de las diferentes creencias.
