Complete Psychology Graham Davey, Christopher Sterling, Andy Field

The new edition of *Complete Psychology* is the definitive undergraduate textbook. It not only fits exactly with the very latest BPS curriculum and offers integrated web support for students and lecturers, but it also includes guidance on study skills, research methods, statistics and careers. *Complete Psychology* provides excellent coverage of the major areas of study. Each chapter has been fully updated to reflect changes in the field and to include examples of psychology in applied settings, and further reading sections have been expanded.

The companion website, www.completepsychology.co.uk, has also been fully revised and now contains chapter summaries, author pages, downloadable presentations, useful web links, multiple choice questions, essay questions and an electronic glossary. Written by an experienced and respected team of authors, this highly accessible, comprehensive text is illustrated in full colour, and quite simply covers everything students need for their first-year studies as well as being an invaluable reference and revision tool for second and third years.
