Gli armeni (Universale paperbacks Il Mulino) (Italian Edition) Gabriella Uluhogian

Si ricordano gli armeni quasi solo per il terribile genocidio patito nel 1915 e per le polemiche di cui tuttora questo è oggetto. Ma quella armena è una storia molto più ricca e antica: la storia di un territorio ponte fra Oriente e Occidente e di un popolo millenario che ha conservato e tramandato una cultura fortemente identitaria. Ricco di informazioni, il libro ripercorre la storia armena dalle origini più antiche a oggi, presentando anche un quadro generale della religione, della lingua, della letteratura.
