*Things aren't always as they appear...*

New school. Cross-country move. Broken heart. If only these were Emma Guthrie's worst problems. Instead, she must battle a trio of enemies--human and spectral--who may or may not have joined forces against her and everyone she loves. All while pretending to be over Cooper Beaumont, her ex-boyfriend and true love, to shield him from her arch-nemesis's revenge.

Worse, when the fight escalates, Emma is tempted to use black magic, which will endanger her soul. As her enemies close in, join forces, and fight with new and dark magic she's never seen before, Emma must harness the power within her to fulfill an ancient prophecy, defeat a centuries-old evil, save her family, and reclaim the only boy she's ever loved.
