La Vida Vampire Nancy Haddock

First in a delightfully irreverent new series-and second to none when it comes to beautiful 227-year-old career women.

Being dead isn't all it's cracked up to be. Take it from Francesca Marinelli, trapped underground for over 200 years and rediscovered during the renovation of a Victorian mansion in historic St. Augustine. A tourist attraction herself, she's well suited for a job as an Old Ghost Town Tour guide. Francesca's due for a new lease on afterlife-and with enough sunblock, she can finally live it.

Unfortunately, everything she learned about men is a little dated. And when people in her tour group turn up dead, naturally the police suspect her. After all, she is a vampire. Which is why a crazed vampire-hunting vigilante squad is out to get her as well. Between the dead bodies, the stalkers, and a seriously non-existent love life, she's starting to wish she was dead. Or at least buried, where she was safe.
