Sálvese quien pueda (Spanish Edition)

Daniel Samper Ospina

Sálvese quien pueda (Spanish Edition) Daniel Samper Ospina

El concepto de este nuevo libro es el fin del mundo, y cómo, de la misma manera que sucedió con el Diluvio Universal, donde solo se salvaron algunas especies, en este nuevo gobierno, se salvarán algunos "animales", se ahogarán otros; habrá nuevas historias y nuevas columnas. Este libro es una nueva recopilación de las columnas del autor publicadas durante el último año y medio, en la cual ofrece una mirada irónica de la actualidad colombiana. Con el cambio de gobierno y de políticos en el gabinete, Daniel Samper Ospina pone en escena nuevos personajes, como la perra "Bacatá", que acompaña al alcalde Gustavo Petro; la "Sangre del Papa"; el contralor Turbay, que usó el erario público para construir una limosina de lujo; Angelino, el vicepresidente. Y a partir de estos personajes continúa ironizando sobre la realidad del país y mostrándole a sus lectores un país mucho más cruel.
