Swiss Politics for Complete Beginners - 2nd edition: How things work in this strange country where you can happily survive without knowing the name of ... but where you vote on everything (ESSAI)

Pierre Cormon

If you need to learn quickly and efficiently about Switzerland, this essay is made for you

Do you want to understand why the Swiss seem to spend their time voting on every imaginable issue?

Why the housing shortage is so acute?

Why Switzerland may be the only democratic country that has no majority and opposition?

Why shops close so early?

And you don't want it explained in a scholarly way, as you are more interested in the spirit than in the letter?

This is your book.

A straight-to-the-point essay that will provide you with key elements to understand this small but complex country that is Switzerland

ABOUT THE AUTHOR

Pierre Cormon is a journalist and writer from Geneva, as well as an active member of the expats network glocals.com. He has written three books of fiction, in French.

EXTRAIT

“Who in the room knows the name of the Swiss president?”

That's the question I asked a group of three hundred expatriates living in Geneva area at the beginning of a “Swiss Politics for Dummies” seminar in June, 2009. Around 10 to 15% of them raised their hands. About what I'd expected. And certainly not a bad score: these were people curious about Swiss politics. Enough, at least, to sacrifice an entire evening to listen to a lecture about it. With another group, things could have been much worse.

I don't blame them. All the puzzled looks following my seemingly simple question reminded me of a ride on the Cairo underground a few years earlier. It was the final years of Hosni Mubarak era.

Catherine Stoltenberg:

As a university student exactly feel bored in order to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their interest. They just do what the educator want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Swiss Politics for Complete Beginners - 2nd edition: How things work in this strange country where you can happily survive without knowing the name of ... but where you vote on everything (ESSAI) can make you truly feel more interested to read.

Sarah Heath:
